

Lichen is a fascinating subject to paint and there are many other woodland treasures too. Make a page of different autumnal pieces or concentrate on one beautiful subject, your choice! Bring along some specimens to paint. I will have some with me too.

**December 3rd**

**Berry-tastic!**

10am - 4pm

£35

*Watercolour experienced needed.*

A one day course. Choose from raspberries, cherries, strawberries, blueberries, grapes or wild berries! Learn how to create shine and bloom. I will also show you some useful colour theory too. Bring along some fruits!

## THEMED WORKSHOPS 2022

### ALL DAY COURSES - 10am-4pm

**February 19th & 25th**

**Butterflies and Moths**

10am - 4pm

*Watercolour experienced needed.*

£35 one day/£70 for both days

Choose from a huge selection of specimens supplied. Learn how to apply the finest detail and colour to create your own beautiful butterfly or moth painting. Take a look under a microscope to see the beauty of these insects close up.

**June 18th & 25th**

**A little Botany and Flower Dissection**

10am - 4pm

*Watercolour experienced needed.*

£35 one day/£70 for both days

We will select plants from Brackenwood Garden centre (or bring your own!) to study and create a floral page, that will include botany details learned on the course. You may work in black fine liner, watercolour and graphite. You will learn a bit of plant botany using my detailed course notes and there will be access to reference books too. You will have a chance to practice dissection (tools provided) and learn how to draw a dissected flower accurately as a botanist would do. You will also have a chance to look at flower reproductive parts under a microscope. This

is a great way to learn how to draw plants accurately and understand their anatomy!

**September 3rd & 10th**

**Seaside treasures**

10am - 4pm

*Watercolour experienced needed.*

£70 for both days

Learn how to paint some of beautiful seaside treasures; seaweed, shells, mermaid purses, starfish, barnacles, sea urchins etc. A little variety for those who have done shells with me before. This time it will be all things seaside! Bring along your favourite seaside treasures. Shells and some other seaside items will be available to borrow too.

**October 1st & 2nd (Saturday and Sunday)**

**Mushrooms and Fungi**

10am - 4pm

*Watercolour experienced needed.*

£70 for both days

NEW! A two-day course running over a full weekend. We all love fungi! Learn how to paint a mushroom or fungi of your choice. Bring along your own specimens or choose from a selection supplied.

**November 19th & 26th**

**Woodland treasures and Lichen**

10am - 4pm

*Watercolour experienced needed.*

£35 one day/£70 for both days
